Dear Customer,

Christmas is coming. This is the time we say "Thank you" and express our gratitude to who we cherish and appreciate. The "most silent" time of the year, when we pause for a moment and remember what is important, what we do value.

For LOYTEC this is the time we want to thank you, our dear partners, customers, and friends, for your trust, faithfulness, and loyalty during the last year. We don't take this confidence for granted, but as a precious gift we have to earn over and over again.

To accompany you through the coming Advent season we have prepared a sweet calendar. Let the delicacies melt in your mouth, one each day, and enjoy the time until Christmas even more. We wish you and your loved ones a blessed Christmas. May your wishes and hopes come true. For 2015, the LOYTEC team wishes you a Happy New Year, success, good luck, and health!

With this in mind, we are looking forward to many more years of successful cooperation. Season's Greetings!

Sincerely yours,

Dietmar Loy
